WINDOW CLINGS

You can make decorative window art for your bedroom. These make great gifts for mom and grandma, too! Or how about someone's birthday?

Window Clings

What you need:

- A Plastic Baggie
- Paper
- Fabric Paint w/ glitter

What to do:

1. Cut the paper so that it can lay flat in the baggie.
2. Draw a flower on the piece of paper.
3. Lay the paper flat inside of the baggie.
4. Trace & color in the flower on the outside of your baggie with the fabric paint.
5. Once the fabric paint dries, you will be able to peel the picture off of the baggie and place on your window!

Be creative! You can make snowflakes, hearts and all kinds of other designs with this project.
