Make Reindeer Food!

Sprinkle on the lawn at night.
The moon will make it sparkle bright. Santa's reindeer
fly and roam. This will help guide them to your home!

What you need:

- ¼ cup of oatmeal
- ¼ cup of birdseed
- Colored sugar crystals (used to usually decorate sugar cookies!)
- Plastic baggie

What to do:

Mix all the ingredients together in the plastic baggie. Sprinkle on your lawn or sidewalk on Christmas Eve to help guide Santa's reindeers to your home.
